### **CHYRISE KING NAMED GUERIN CATHOLIC HIGH SCHOOL'S DIRECTOR OF ADMISSIONS**

NOBLESVILLE, IND. — Chyrise King has been named the Director of Admissions at Guerin Catholic High School. She is replacing Grace Pratt, who has taken the position of Assistant to the Director of College Counseling. The Director of Admissions is responsible for the overall admissions process including planning, organizing and implementing a comprehensive admissions program reflecting the mission and goals of Guerin Catholic High School. The Director of Admissions represents Guerin Catholic to families and students of the parishes and Catholic schools within the Diocese of Lafayette-in-Indiana, as well as others seeking admissions.

"I look forward to working with Mrs. King in our outreach to prospective students and families," said Father Dale Ehrman, Vice President and Associate Pastor at Guerin Catholic High School. "She brings both a familiarity of our school and business experience to this position. I am confident Mrs. King will be a great asset to our community as she assists families with their decision about a Catholic high school education."

Prior to accepting the position at Guerin Catholic, King has been the owner of My Accountability Coach where she was an executive coach and consultant, specializing in small to medium businesses and insurance professionals. She also worked in advertising sales for the Town Planner Community Calendar, helping to generate advertising which was published in over 58,000 calendars.

"I am blessed and honored to be named Director of Admissions at St. Theodore Guerin High School," said King. "Having the ability to use my networking, relationship building and business experience as a representative of a Catholic high school community which is dedicated to fostering spirituality, academic excellence, leadership and service to others, is truly a gift from God."

King has been active within the Guerin Catholic High School community as a parent and by serving as the Student Life Committee chairperson for the School Governing Board for two years. She also serves on the advisory council for the Central Indiana Women's Business Center and is a mentor for Business Women Connect.

King received her Bachelor of Science degree in Health Education from California State University and then went on to obtain her Masters of Business Administration in Operational Management from Ball State University. She and her husband Roch reside in Noblesville with their daughters Samantha (16) and Sydney (12). They are members of Our Lady of Grace parish.
