

PARENT-TO-PARENT NETWORK

The mission of the Parent-to-Parent Network is to maintain a safe, positive environment for our youth by disseminating relevant and timely information to the entire St. Theodore Guerin High School community.

The purpose of the Parent-to-Parent Network is to provide an educational forum for the entire St. Theodore Guerin High School community. We provide open lines of communication through which parents network with one another about important issues facing our teens today. Educational opportunities include guest speakers, website links, literature, and seminars.

We would like your input as to what you would like to see addressed through this committee in the future. Please share with us your ideas of topics for presentations/speakers for our students, for parents, or for both. Remember this committee is here to help the Guerin community. We want to hear from you.

Topics under current consideration are regarding laptop usage, laptop access/parental controls and alcohol awareness and related issues. In addition to your suggestions for topics, we welcome your suggestions for specific speakers or workshop presenters.

Attached is the “revised” Parent Pledge. This pledge will be included in the 2010-2011 directory as well. As a member of the Guerin Catholic community, it is the intent of this pledge that all families make a commitment to keep our students safe while in each other’s homes or under one another’s supervision. Please keep this pledge where you can refer to it often.

If you are interested in joining the Parent-to-Parent Network, you can sign up at the Back-to-School Bash in August or you can contact us at one of the e-mail addresses below.

Please forward any topic/speaker ideas, questions to:
