Coming Again This Gala...

the Mystery Box

What's Inside....Nobody Knows

"We had not planned to bid on the Mystery Box, but we were caught up in the excitement as the bidding climbed. The natural curiosity of wanting to know what was in the box kept us going until we won! Our Mystery Box contained four vouchers for Frontier Airlines as well as an assortment of travel accessories. It was a fun and exciting experience to bid on something when you weren't sure what you were getting. Looking forward to this year's Gala."
