Guerin Golf Pro-Am Tournament Format: Each player including the pro will tee off. The pro must play his or her ball the entire hole. The pro will be required to putt out the hole. The rest of the team can select the best tee ball from the entire team including the pro's drive. At that point, each player will complete the hole on his or her own. The two scores that are the lowest of the five players will be the team score. Those balls must be holed out.
