

**Opening  
Doors**

---

Campaign for St. Theodore Guerin High School

It is impossible to estimate what a Christian education does for these young people.

– St. Theodore Guerin

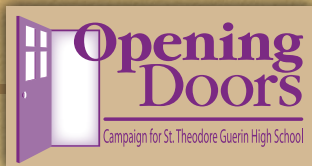

## Opening Doors

St. Theodore Guerin High School is no ordinary Catholic high school. Guerin Catholic is a place where strong faith formation and a challenging academic curriculum change the lives of young men and women who attend. As a nationally recognized Catholic high school, Guerin Catholic has opened doors for graduates who have gone on to top colleges and universities, seminary and the Naval Academy.

The Campaign for St. Theodore Guerin High School will “open doors” for more students to experience Guerin Catholic’s award-winning education, strong faith formation and help them prepare to become tomorrow’s leaders.

“ Love the children first, then teach them.”

— St. Theodore Guerin

## ... Through Academics

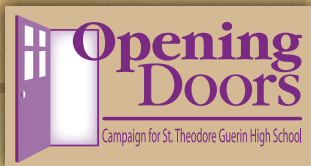

Teachers open doors to learning. One of Guerin Catholic's greatest assets is its experienced and dedicated faculty. Students learn from educators who are second to none. In addition, Guerin Catholic has been blessed with quality facilities. Spacious classrooms, natural lighting and the latest in equipment and technology have provided an environment where maximum learning can take place. As the school grows, it is imperative to maintain the facility's high quality.

The Campaign for St. Theodore Guerin High School will "open doors" to additional state-of-the-art classrooms, dedicated art space, science labs and other expanded facilities accommodating growth that will maintain the school's special character and quality.

“What strength  
the soul draws  
from prayer!  
In the midst of  
a storm, how  
sweet is the  
calm it finds  
in the heart of  
Jesus.”

– St. Theodore Guerin

## ... Through Faith Formation

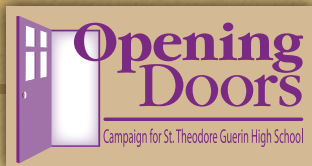

Educating and forming students in the faith is what makes a Catholic school Catholic. Teaching students the truth of the Gospel, Christian virtues and a life centered on the Sacraments and prayer provides a solid faith foundation. Guerin Catholic students receive this foundation which “opens doors” for a deeper relationship with Christ.

The Campaign for St. Theodore Guerin High School will “open doors” for more students to receive a Catholic education and be formed in the faith.

“ We are not called upon to do all the good possible but only that which we can do.”

– St. Theodore Guerin

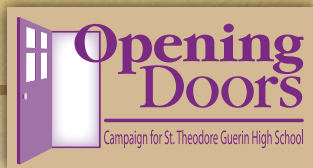

## ... Through Leadership

Students at Guerin Catholic will be tomorrow's leaders. To prepare them, Guerin Catholic "opens doors" to leadership opportunities and challenges all students to grow in their leadership skills. Whether through campus ministry leadership, Student Council, athletics, Golden Voice Choir or other extracurricular activities, students have many opportunities to discover their gifts and to develop them in many leadership roles. These young men and women will be tomorrow's doctors, attorneys, teachers, priests, sisters, business leaders and politicians.

The Campaign for St. Theodore Guerin High School expands the mission of Guerin Catholic and helps prepare countless additional leaders into the future.

## ... Through Giving

There have been many examples of Divine Providence – God providing – taking care of St. Theodore Guerin High School. We continue to trust in God and know that He will provide. This trust in Providence does not preclude our need to engage in the hard work of financial planning and fund raising. That is why St. Theodore Guerin High School is launching a three-year capital campaign titled “Opening Doors.”

The Opening Doors Campaign for St. Theodore Guerin High School will seek to raise \$10 million over three years. The funds will further the mission of Guerin Catholic through growth in facilities and tuition assistance. Student body growth is essential. Not only is it part of Guerin Catholic’s mission to serve the families of our Diocesan parishes, the long-term financial vitality of St. Theodore Guerin High School is realized as it reaches its designed goal of serving 800 students. This requires a significant expansion of its current facilities.

The demand for the award-winning Catholic education that Guerin Catholic offers continues to grow. Enrollment will soon reach a maximum of 200 per class. To accommodate more students, temporary classrooms will be necessary as a transition while fund raising and construction of the additional academic wing is complete.

The financial goal of the Opening Doors Campaign can only be achieved through God’s help. That is why we are also seeking spiritual commitments as well. Prayer is the gift that opens the door to Divine Providence. We know God will provide, and we turn to Him for guidance in the “Opening Doors Campaign.”

This capital campaign is a financial and prayerful commitment: affirming your belief in the significance of a Catholic education as well as opening doors to academics, faith formation and leadership for generations to come.
