

## ***St. Theodore Guerin Catholic High School*** ***Guide to Textbook Buying, Selling and other Little Tricks***

### **Summer Reading**

Summer provides a wealth of growth opportunities for high school students and to that end, Guerin Catholic has re-evaluated the Summer Reading Project in an effort to better facilitate a passion for Lifelong Learning within our students. The goal of the summer reading project has always been to provide a continued learning experience to aid in the growth of the students. To allow for the focus of summer learning to be truly about learning and growth, we have decided to remove the requirement of The Summer Reading Project. At Guerin Catholic, our hope is that in partnership with parents we can strongly encourage and support students to experience opportunities that open up new challenges, and to seek out activities that provide learning in areas of individual interest. This is wonderful gift to give to your children and these experiences help them learn about themselves and the world around them. Please see the Guerin Catholic website under “Academics” for programs and resources available to your child this summer.

### **The Textbook List**

The Guerin 2016-2017 Textbook List can be accessed under “Academics” on the Guerin Catholic website beginning May 13. Use this textbook list to determine the needed books for all courses at Guerin Catholic HS. The textbook list is organized by department and lists the name, publisher and copyright/edition of the needed books for each class. It is important that students obtain the correct edition of the textbook; different editions contain different readings, problems or examples.

### **E-text Options**

Our online bookstore, MBS Direct, has many e-text and rental options available for our required texts. (See purchasing textbooks below.) There may be other e-text options than the ones listed on the Textbook list and if students can determine that the content is the same, they are welcome to use them. iPads, Kindles and other e-readers can be used in the classroom.

### **Selling Textbooks at the end of the 2015-2016 school year**

There are several options for current Guerin students to sell their used textbooks:

#### 1) *MBS Direct Book Buyback*

\*\*MBS Direct (our online bookstore) will be at Guerin Catholic on Tuesday, June 7 from 9:00am-12:00pm and again from 4:00pm-7:00pm to purchase used textbooks.

## 2) *Selling textbooks through online sources or directly to GC families*

There are many online sources in which you can sell textbooks directly to other families. Websites like Amazon, Cash4books, Bookfinder, ecampus, etc. provide venues for you to sell your textbooks in an online forum.

In addition, a parent-run Facebook page called “Guerin Catholic Marketplace” allows parents to sell books and gently used clothing to other Guerin Catholic families.
