

Part-Time Computer Science Teacher

St. Theodore Guerin High School in Noblesville is searching for a part-time computer science teacher for the 2015-2016 school year. This person will teach two periods per day. Approximate hours will be 7:30 AM – 10:30 AM, although some variation will occur with different schedules (two hour delays, etc.)

Requirements

- Applicants should be comfortable integrating Catholic/Christian values into their teaching and living out those values in their daily lives.
- Applicants should have a good work ethic and be able to demonstrate knowledge of computer science content and resources.
- Applicants should have good communication skills, a commitment to professional development and be committed to contributing to the life of the school.
- Applicants should be committed to being a highly effective teacher in a college-preparatory, one-to-one technology environment that stresses higher-level thinking.
- Applicants should have high expectations of their students and be dedicated toward providing the support necessary for all students to learn at a high level.
- Applicants should possess a working knowledge of Java or similar language.

Qualifications

Candidates should possess a bachelor's degree in computer science or a related field. Teaching license or experience is preferred, but not required.

Salary

Salary will be calculated from our teacher's salary schedule. The position is part-time and not benefits eligible.
