

St. Theodore Guerin Catholic High School ***Guide to Textbook Buying, Selling and other Little Tricks***

Summer Reading

The Summer Reading List can be accessed under “Academics” on the Guerin Catholic website beginning on May 16. Students may choose any of the three options from the list provided and every student is expected to have completely read their chosen book and completed a project by August 15. All students will complete a project on their book by the first week of the new school year whether or not they have English during the first trimester.

The Textbook List

The Guerin 2014-2015 Textbook List can be accessed under “Academics” on the Guerin Catholic website beginning May 16. Use this textbook list to determine the needed books for all courses at Guerin Catholic HS. The textbook list is organized by department and lists the name, publisher and copyright/edition of the needed books for each class. It is important that students obtain the correct edition of the textbook; different editions contain different readings, problems or examples.

E-text Options

Our new online bookstore, MBS Direct, has many e-text and rental options available for our required texts. (See purchasing textbooks below.) There may be other e-text options than the ones listed on the Textbook list and if students can determine that the content is the same, they are welcome to use them. iPads, Kindles and other e-readers can be used in the classroom.
