

**St. Theodore Guerin High School
College Counseling Guide
2016-2017**

Dear Saint Theodore Guerin Student and Family,

We are pleased to share with you the College Counseling Guide for your Guerin Catholic High School experience. The school's mission statement states: "St. Theodore Guerin High School is a Roman Catholic college preparatory school serving students from diverse backgrounds and preparing them to be servant leaders through authentic faith formation, academic excellence, and student life opportunities." Therefore, the goal of the Guidance Department is to provide our students with the opportunities and information to help them reach their God-given potential. Our objective is to help students **discover, develop, discern** and finally **deliver** their God-given gifts to the world upon their graduation from Guerin Catholic High School.

This document will help you understand the opportunities provided by Guerin Catholic, the expectations of the student and the plan for the parents to help our students accomplish this goal and objectives. Like any document, it is only a plan. The ultimate success of your experience will be determined by your effort and execution of the plan. If done right and well, we believe it will result in the student's admission and success at the college of their choice.

The high school education is unique in that to be completed successfully, we must help lead students from their relative dependence on the adults in their lives to a more independent level of existence. It is with this reality in mind that we have planned a curriculum and experience to challenge our students to their fullest and invite them to reach beyond their usual comforts. In other words, we will intentionally and appropriately push students so that they can learn the skills, habits and advocacy to navigate to this desired level of independence. It will require us all working together to help this happen.

It is fitting that our mascot symbolizes taking the fledgling, little Golden Eagle, from the comforts of its nest and allowing it out into the unknown where it will be forced to **discover, develop, discern** and finally **deliver** itself to see the beauty of God's world.

We look forward to our work together.

God's Peace,
