GUERIN CATHOLIC HIGH SCHOOL

Guidance Department College Counseling Guide

COLLEGE COUNSELING GUIDE

Dear Saint Theodore Guerin Student and Family,

We are pleased to share with you the College Counseling Guide for your Guerin Catholic High School experience. The school's mission statement states: "St. Theodore Guerin High School is a Roman Catholic, college-preparatory school serving students from diverse backgrounds and preparing them to be servant leaders through authentic faith formation, academic excellence, and student life opportunities." Therefore, the goal of the Guidance Department is to provide our students with the opportunities and information to help them reach their God-given potential. Our objective is to help students **discover, develop, discern** and, finally, **deliver** their God-given gifts to the world upon their graduation from Guerin Catholic High School.

This document will help you understand the opportunities provided by Guerin Catholic, the expectations of the student, and the plan for the parents to help our students accomplish these goals and objectives. Like any document, it is only a plan. The ultimate success of your experience will be determined by your effort and execution of the plan. If done right and well, we believe it will result in the student's admission and success at the college of his or her choice.

The high school education, to be completed successfully, must help lead students from their relative dependence on adults in their lives to a more independent level of existence. It is with this reality in mind we have planned a curriculum and experience to challenge our students to their fullest and invite them to reach beyond their usual comforts. In other words, we will intentionally and appropriately push students so they can learn the skills, habits, and advocacy to navigate to this desired level of independence. It will require all of us working together to make this happen.

It is fitting our mascot symbolizes taking the fledgling, little Golden Eagle, from the comforts of its nest and allowing it out into the unknown where it will be forced to **discover, develop, discern**, and, finally **deliver** itself to the see the beauty of God's world.

We look forward to our journey together.

God's Peace,
