GIFTS ARE GIVEN TO OUR CHILDREN BY GOD AND SHARING THEIR GIFTS WITH OTHERS IS ONE OF THE MOST BEAUTIFUL WAYS THEY CAN GLORIFY GOD!

Join us for a one-week, ALL DAY creative Fine Arts Camp with Guerin Catholic Fine Arts Faculty and Alumni

CHOIR

Learn a variety of music while discovering your God-given talents and challenging yourself as a musician through fun games and energetic warm-ups! This session is designed to be a great first step experience in choir, or a challenge for singers who already have choral experience.

THEATRE

Develop foundational acting skills by rehearsing a story dramatization throughout the week. Learn skills that will help you more effectively use your voice, understand how to become a character, and interact with others on stage.

VISUAL ARTS

Express your gifts and talents in the visual arts by creating a unique piece of art each day. Develop a sense of Truth and Beauty through God's glory by way of the elements and principles of art.

INTRO TO UKULELE

Learn the basics of strumming and plucking simple melodies on the ukulele as well as singing and playing simultaneously!

MOVEMENT

For the performer, the body is their instrument! We will spend time each day working on coordination, flexibility and strength so that each performer knows how to get the most out of their instrument.

IMPROV COMEDY

Learn Improv games and have the opportunity for mini-on-the-spot performances! These activities will help you build confidence!
