Dear Guerin Catholic Families,

I hope you and your families experienced a Merry Christmas and your New Year is off to joyful start!

It is with great pleasure that I announce our tuition plans for the 2020-21 school year. At the December Finance Committee meeting, it was determined that we would recommend to the School Governing Board (SGB) that for the first time ever we lower the cost of tuition and fees by \$100 to \$14,900 for the 2020-21 school year, with the goal of keeping tuition and fees at \$14,900 for the 2021-22 school year as well. This recommendation was approved unanimously by the SGB. This move aligns with the guiding vision of our strategic plan of keeping Guerin Catholic Affordable, Accessible, and Available to all who desire a Catholic education and is only possible due to our generous benefactors who so graciously give to the mission of Guerin Catholic.

As Mother Guerin stated, "It is impossible to estimate what a Christian education does for these young people," and we at Guerin Catholic are committed to removing barriers so all families can have the opportunity to experience a Guerin Catholic education. Please join us in prayers of thanksgiving for all of those who Trust in Providence and offer their continual financial support of Guerin Catholic.

Additional thanks to the members of the Guerin Catholic Finance Committee and the SGB who, along with the faculty and staff, work tirelessly in support of our great mission.

Yours in Christ,

A handwritten signature in black ink, appearing to read "John Atha".

John Atha, President  
Guerin Catholic High School
