

CLASS OF

2020

#GCForever

## SENIOR SPOTLIGHT

### Sophia Donado

Class of 2020

#### Parish

Holy Spirit at Geist

#### Middle School Attended

Our Lady of Grace

#### Future Plans

Indiana University

Intended Major: Chemistry with a minor in Theology

#### Favorite Guerin Catholic Teacher(s)

Dr. Conklin because she was very patient with me during the 14 hours we spent making soap in the lab. She was very understanding and forgiving when I had no idea what was going on in class, not to mention she introduced me to the world of Organic Chemistry and changed my life. She always pushed me to do my best and would not take anything less.

#### What I will miss most about Guerin Catholic

The Fine Arts department. From the IB Art class to being involved with musicals to the New York trips, spending time creating art, directing shows and having the opportunity to grow closer to my classmates were some of the best experiences I had during my time here. The Fine Arts department is like family to me and I will miss them dearly.
