Favorite Guerin Catholic Teacher(s)

A hard choice, but Mrs. Gocur. She's helped me grow so much in both the arts as well as personally. She's so honest, smart, hilarious, and loving.

What I will miss most about Guerin Catholic

I'll certainly miss the chapel, the music department, and the masses, but most of all I will miss the sense of community and feeling of coming home every time I walked through the front doors.
