Nico Roman Dinglasa

Class of 2020

Parish

St. Joan of Arc Catholic Church

Middle School Attended

Sts. Joan of Arc & Patrick School

Future Plans

University of Notre Dame
Intended Major: Civil Engineering

Favorite Guerin Catholic Teacher(s)

Mrs. Wagoner. She advises Art Club, which I joined sophomore year, and teaches IB Art which I took junior year. She also runs the Blood Drive, organizes the school's recycling, contacts alumni, books art shows at the Indiana Design Center, and directs various projects to beautify the school. It's amazing how much she does around the school.

What I will miss most about Guerin Catholic

There's a lot to miss, like the school dances, theater productions, and All-School Mass, but most of all I'll miss the community. I've met students who are musicians, actors, artists, and athletes...it's been really cool to hang out with completely different groups and spend a lot of time with them. I'm definitely going to miss that about this place.
