Parish

Northview Church

Middle School Attended

Clay Middle School

Future Plans

Community College for a year, then Ball State University

Intended Major: Elementary Education with a minor in Children's Psychology

Favorite Guerin Catholic Teacher(s)

Mr. Gallagher made math fun for me with his humor and was always there to help when I struggled. Sister Ann Thomas is one of the kindest teachers I have ever met, because she cares for everyone she meets. Mrs. Street helped me succeed my entire high school career and I will forever be grateful for that.

What I will miss most about Guerin Catholic

The people I met there. There were certainly ones that stuck out to be loyal, kind, and good friends. I hope to still see them when we are all back home from college. I will also miss school events such as the sports games, dances, and musicals.
