Favorite Guerin Catholic Teacher(s)

Picking a favorite is very hard, so a couple of teachers that made a big impact on my life would have to be Mr. Rafferty as my junior retreat leader and Sister Josemaria. Sister was someone I could always talk to about my faith.

What I will miss most about Guerin Catholic

My teammates. I unfortunately did not get my final season, but I know that life goes on and I can't wait to watch them play next year. I will also miss the boys soccer team. I was a manager for two years and those two years with them was such a fun journey seeing them work so hard and making it all the way to semi-state.
