Favorite Guerin Catholic Teacher(s)

Mr. Ross because he is so understanding and willing to work with his students when they need help.

What I will miss most about Guerin Catholic

I am going to miss coming to school each day knowing that I am surrounded by such a safe and positive community. I'm going to miss singing in all-school masses with some of my closest friends and going to athletic events where I get to be a part of such a supportive and enthusiastic student section. I am also going to miss playing soccer for my school with all of my best friends.
