### Favorite Guerin Catholic Teacher(s)

“Ms. Schirripa because I absolutely love her and her teaching style, and for introducing me to Costa Rica. I also love Mrs. Stubbs and Mrs. Southard, my parents, and Mr. Ross and Sister Ann Thomas. I also want to give a shout out to Mrs. Reichardt and Ms. Michel for helping me with math.”

### What I will miss most about Guerin Catholic

The environment. I was raised here since I was 2 years old since my parents have worked at Guerin Catholic from the beginning. It is truly like home. From the achievements of the fine arts to the culture of the sports, to All-School and Kairos Mass, I love the faith-filled and kind atmosphere Guerin Catholic has to offer.
