Favorite Guerin Catholic Teacher(s)

Mr. Rafferty. He has supported my academic, professional, and spiritual endeavors. He has so much faith in his students and constantly expresses his pride in us while still pushing us to grow. He truly embodies the principles Guerin Catholic works to foster in its students through his spiritual leadership, selfless service, and the way he lives his life through faith.

What I will miss most about Guerin Catholic

The community. The individuals that teach and learn at Guerin Catholic are fully committed to fostering a collaborative environment in which students can grow spiritually, academically, and socially. I will miss Friday adoration in the chapel, class discussions where everyone feels comfortable enough to raise their hand, laughing with friends at lunch, and seeing the lifelong friends I made here every day.
