#### Favorite Guerin Catholic Teacher(s)

My favorite teacher would be Mrs. Horn because she is such an understanding teacher and cares so much for each of her students. I have never had a teacher that connected with a class as well as she does. I had her last period my junior year and it was hands down the best and most memorable class I have ever had at GC.

#### What I will miss most about Guerin Catholic

What I will miss most about Guerin Catholic is getting together with all my friends and going to the football and basketball games together. I made some of the best memories in the student section my senior year that I wish I could go back and do all over again. I'll also miss seeing all of my friends that I grew up going to school with in the hallways every day.
