#### Favorite Guerin Catholic Teacher(s)

Mrs. Gocur, because she is an inspiration and an overall amazing person. I was never in any choirs, but she was my IB Music teacher and the best extended essay supervisor I could hope to have. I am grateful for all the time we spent together, from chatting about music to talking about life in general. She is honest, smart, and kind, and I will miss her very much.

#### What I will miss most about Guerin Catholic

I will miss the great sense of community I found at this school. I have met so many amazing people in my time here, and I have built the best friendships I've ever had. In particular, I will miss the music department. On some days I spent more time in the music wing and cafeteria than at my house, and I loved every moment of it.
