Favorite Guerin Catholic Teacher(s)

My favorite teacher would be Mr. Rafferty
because he made IB Business a hundred
times more interesting and was a huge
influence on my DECA experience.

What I will miss most about Guerin Catholic

Personally the thing I will miss most about
Guerin Catholic is the women's soccer
program. Participating in this program is
something that I will never forget and the
memories that I made with my teammates
and coaches will always have great value in
my life.
