Favorite Guerin Catholic Teacher(s)

My favorite teacher at GC is Mrs. Horn. Not only did I have the privilege to be her English student, but I have been in her Kairos for three years. Mrs. Horn is my favorite teacher because she truly loves all of her students and wishes the best for them. Mrs. Horn constantly reminded me that there will always be people looking out for you, even if you don't know it.

What I will miss most about Guerin Catholic

As corny as it sounds, I will miss lunch at Guerin Catholic. I will miss eating cookies and catching up with my best friends. I will miss saying to "hi" to AJ and Wayne everyday. Overall I will miss the people who helped me get through high school everyday!
