### Favorite Guerin Catholic Teacher(s)

Mrs. Horn and Miss Schirripa. They both value their students' personal growth as much as their academic success. Mrs. Horn and Miss Schirripa always, and I mean always, took the time to check-in with each of us and offer encouragement. They both have an uncanny ability to know when you are having an off day, and I am so grateful to have had them as teachers.

### What I will miss most about Guerin Catholic

I will miss the vibrant and joyful energy of our all-school masses. They were unlike anything I have ever experienced and always had a way of making me feel a sense of overwhelming peace - despite what was going on in my life.
