### Favorite Guerin Catholic Teacher(s)

Mrs. Gocur because she has supported me in a multitude of ways. She helped me discover my passion for singing and has been an extremely supportive person for me. Seeing her every day inspires me to become a better musician, a better follower of Christ, and a better person. She makes everyone around her laugh and she is an inspiration to everyone in the whole music department. She is intelligent, kind, a great choir director, and extremely talented.

### What I will miss most about Guerin Catholic

I will miss the community of friends that I have come to know, especially in the music department. During all-school masses, worshiping with the community of friends that I have come to know and love is a special feeling. They have all helped me grow into the person I am today, and I could not be more grateful.
