#### Favorite Guerin Catholic Teacher(s)

There are so many teachers at GC that have impacted my life. B-Way pushed my creativity and always encouraged me. Mr. Q is so understanding and laidback. Ms. Michel radiates so much positivity and joy. Mrs. Stubbs always made me laugh, and many more.

#### What I will miss most about Guerin Catholic

I am going to miss the community. I have grown up around the school because of my older brothers who attended before me, and it feels like a second home. Everyone is so kind, and I am going to miss the welcoming atmosphere.
