Favorite Guerin Catholic Teacher(s)

Ms. Bunn - Even though I was never in IB biology, she would always let me in her room after school with her actual students. She was always funny and open to all the weird biology questions I could think of. I am especially thankful that she allowed me to contribute to her trust tree with my chemistry puns.

What I will miss most about Guerin Catholic

I will miss dressing up for all the games and helping with hair and makeup for all of the shows!
