WORDS TO DESCRIBE ME AS A COUNSELOR:

Relationships, relationships, relationships! I love building relationships with my students.

ADVICE TO PARENTS OF INCOMING FRESHMEN:

LISTEN, PUSH, SUPPORT, LOVE.

Listen to your children. Often times, they'll tell you everything you want to know if you make time to listen.

Push them beyond their comfort zone. This is often where true growth happens.

Support them. They will struggle at some point. Be there to support, encourage, and cheer them on.

Most importantly, **love them.** A simple "I love you" can go a long way.

ADVICE TO INCOMING FRESHMEN:

Get involved! There are so many ways to get involved at Guerin Catholic. Getting involved in co-curricular and extra-curricular activities will help make your high school experience the best possible.

A LITTLE BIT ABOUT ME & MY FAMILY . . .

I have been married to my high school sweetheart, Luke, since 1999. Together, we have three children. Our son, Matt, and a daughter-in-law, Lauren, both recently graduated from the University of Alabama. Roll Tide! Our daughter, Zoe, is a sophomore at Florida Gulf Coast University studying psychology. Wings up! Our youngest child, Jaysi '25, is a student at GCHS, where she enjoys participating in music and theatre.

I enjoy family time, concerts, and traveling. I especially enjoy Disney World and tropical locations and I'm always game for a fun, and sometimes spontaneous adventure.

We attend St. Maria Goretti parish.

MY FAVORITE ACCOMPLISHMENT FROM MY OWN COLLEGE EXPERIENCE . . .

Winning a pizza eating contest :)

In all seriousness, my internship at an adolescent psychiatry office was very impactful.

It was very eye opening to see the diverse experiences and challenges our youth face.

FAVORITE ST. THEODORE GUERIN QUOTE

"Profit by the experience of the past for the future."
