

MRS. BRIDGET RYAN

SCHOOL COUNSELOR

(SERVING STUDENTS WITH LAST NAMES C-GO)

MS in School Counseling (Butler University)

BS in Health Education (Indiana State University)

Terre Haute North High School (Terre Haute, IN)

Mrs. Bridget Ryan has been at Guerin Catholic since 2019 and previously worked in Warren Township and Hamilton Southeastern Schools. She enjoys working with children and helping others. "I am excited to meet each of my new students and work with them during their high school experience while helping them get to their next step of college."

WORDS TO DESCRIBE ME AS A COUNSELOR:

Mindful of others, understanding, thoughtful, supporting, and multitasker

ADVICE TO PARENTS OF INCOMING FRESHMEN:

Make sure that your child has some type of organizational system for writing their assignments down and a binder to keep their school work organized in. It is important that parents are checking in with their child regularly and that your student gets involved in an activity at school such as a club, sport, fine art, etc.

ADVICE TO INCOMING FRESHMEN:

Get involved in an activity to get to know others in your class and make connections. Please reach out to your school counselor and ask any GC staff, students, and your teachers questions that you may have at any time.

A LITTLE BIT ABOUT ME & MY FAMILY . . .

My husband Cooper and I have been married since 2002. We have two daughters—Reese '23 and Mallory '26.

My hobbies are running (long distance preferably), reading, crafting, and cooking.

We attend Sacred Heart of Jesus Catholic Church in Cicero. I am a Eucharistic Minister and involved in helping in the food pantry.

MY FAVORITE ACCOMPLISHMENT FROM MY OWN COLLEGE EXPERIENCE . . .

My overall undergrad experience was a very rewarding time for me. I was able to explore running in college, be involved in a sorority, volunteer in the community, all while working and going to school. I also went to college in my home town but used my college experience to branch out and become my own person. I also enjoyed my graduate experience at Butler University, and appreciate all the things I learned to help me in my future career.

FAVORITE ST. THEODORE GUERIN QUOTE

"You will be happy yourself in making others happy."
