Wayland Villars DIPG Foundation Scholarship Application Form

Scholarship Description:

The Wayland Villars DIPG Foundation has established an annual scholarship at Guerin Catholic High School in memory of their late son Wayland Villars who passed away at a young age from DIPG, a form of brain cancer. The Villars family are parishioners at Our Lady of Grace Parish located in Noblesville, Indiana. They started their foundation to help kids who are facing the same cancer as Wayland had called DIPG. They also support doctors so they can keep trying to find a cure and to help families in our area whose children also have this type of brain tumor. Scholarship applicants need to show how they can be part of this movement to support childhood cancer awareness and support the foundation's cause. The amount of the scholarship award is \$2,500. **Applications to be submitted to Guidance Office by Tuesday, April 8th.**
