Computer Science & Applications Teacher

St. Theodore Guerin High School in Noblesville is searching for a Computer Science and Applications teacher for the 2021-2022 school year. The teacher's schedule will be split between teaching Digital Applications & Responsibility (a required course for all freshmen) and Intro & IB Computer Science. Start date would be August 3, 2021.

Requirements

- Applicants should be comfortable integrating Catholic/Christian values into their teaching and living out those values in their daily lives.
- Applicants should have a good work ethic and be able to demonstrate knowledge of teaching high school computer science and applications classes including how to use technology in a responsible and ethical manner.
- Applicants should have good communication skills, a commitment to professional development and be committed to contributing to the life of the school.
- Applicants should be committed to being a highly effective teacher in a college-preparatory, one-to-one technology environment that emphasizes higher-level thinking.
- Applicants should be dedicated toward providing the support necessary for all students to learn at a high level.

Qualifications

The ideal candidate would possess an Indiana Teaching License in the area of Computer Technology or a related field and have experience in computer programming. Candidates without a teaching background but with experience in coding will be considered.

Salary

Salary will be calculated based on our salary scale. Benefits include an excellent comprehensive medical, dental and vision insurance plan along with an employer matched 403(b) program

Contact Information

Applicants may submit a cover letter and resume to apply@guerincatholic.org.
