

COMMUNITY AWARD

BILL AND CAROLINE GODFREY

Bill and Caroline Godfrey have been familiar faces at Guerin Catholic since the school's infancy and graciously accepted this year's Community Award recognition.

"We are extremely humbled to be receiving this award," Caroline said. Caroline fondly recalls attending the school's groundbreaking ceremony and watching as Bishop Higi took his shovel to the dirt. "Little did we realize at the time, what a gutsy and faith-filled decision that ended up being! Thank you, Bishop Higi, for leading the way as you trusted in providence!"

A few years later it was the Godfreys who leaned on Providence as they enrolled their son Andrew in Indiana's newest Catholic school, "We knew we were taking a risk sending our oldest son to Guerin Catholic simply because it was a brand new school. But as we look back we couldn't be any more thankful that we made that decision!"

Andrew is a 2011 graduate of Guerin Catholic and is married to his GC sweetheart, Megan (Burge) '13. The couple recently had their first child, Noah, born in December 2020. Bill and Caroline's daughter Kathryn '14 also married her GC sweetheart Peter Johnston '14,

and their son Matthew '17 is engaged to his GC sweetheart Reiley Harrington '17. Their youngest son Luke '19 is finishing up his sophomore year at Purdue University.

"One of the biggest blessings that GC has given to our entire family is the gift of lifelong friendships and a sense of lasting community," said Caroline. "We are so grateful to be part of such a special place!"

Bill and Caroline could easily be found on one set of bleachers or another while their children were Golden Eagles participating in sports. However, their time has also been spent in a variety of other capacities. Whether working the concession stands, volunteering at events, or delivering one of the most inspiring Dad's Day addresses in recent memory, the Godfreys have always answered "yes" to Guerin Catholic's call.
