

MRS. MARY MCGREAL

LEARNING SUPPORT TEACHER

AS Early Childhood Education (IUPUI)
BS Social and Behavioral Sciences (IUPUI)
Certificate Secondary Education
(American College of Education)

Mrs. Mary McGreal has been at Guerin Catholic for seven years. She was blessed to be home for 15 years with her three sons. Prior to that, she worked at Quest for Excellence Foundation and taught at Holy Angels School as a substitute for a maternity leave.

What is your role in the GC Learning Support program? How do you work with students directly?

I teach Essential Skills. I mainly work with sophomores, juniors, and seniors, but also work with freshmen on a regular basis.

How do you help students in the GC Learning Support program work towards their potential?

By providing individual support to our students so that they may reach their full God given potential. The Essential Skills class focuses on helping students improve their habits of learning, maintain an organizational system, create good study habits, and by providing academic support in their classes.

What is your advice for parents of students who benefit from the GC Learning Support program?

High school is such an amazing time for your child. Guerin Catholic provides an awesome opportunity for its students by allowing them to live their faith AND receive an amazing education, all with the support of the Learning Support program during their four years here. Don't blink—the time will fly by and you don't want to miss anything!

A LITTLE BIT ABOUT ME & MY FAMILY . . .

My husband Matt and I have been married for almost 22 years. We have three sons—Michael '20 attends IU Kelley School of Business, studying Finance; Max '21 is attending the University of Dayton in the pre-med program; and Miles is a freshman at Guerin Catholic.

We attend Our Lady of Mt. Carmel parish.

What is your favorite part of working in GC Learning Support?

I love the team I work with everyday! We are all here to love and support our students during their high school journey.

FAVORITE ST. THEODORE GUERIN QUOTE . . .

"Love the children first, then teach them."

Hobbies and Interests . . .

I love spending time with my family, watching my boys play sports, and relaxing with a good cup of coffee. I enjoy traveling and seeing new places.
