July 2022

Dear Guerin Catholic,

The 2021-2022 season is in the books! We have nothing but gratitude for all who made it possible—student-athletes, coaches, managers, trainers, doctors, team parents, faculty and staff, event workers and volunteers, officials and umpires and everyone in between. On behalf of the Guerin Catholic Athletic Department, we are grateful for you!

Each summer, we take an opportunity to reflect on the results of the year as many of them are notable and historic. However, as we reflect this summer, let's take an opportunity to focus on the moments that were part of an unforgettable experience for our Golden Eagles. These moments were transformative and life changing and shining examples of what the Guerin Catholic community stands for.

In January, we hosted a basketball doubleheader vs. Lafayette Central Catholic. Both games were competitive as expected, but the highlight of the night was the Champions Together Special Olympics game played at halftime. The Nest was louder and filled with more energy than any basketball game played this year, all in support of those with intellectual disabilities seeking a way to be included and to be part of a team. That night, the best of Guerin Catholic was on display and if you were there, you know how it felt.

In May, a Spring Sports Day was held on campus to recognize a date where many of our Golden Eagles teams were playing. Our baseball, softball, tennis and lacrosse teams held home events and our booster club, the Golden Eagle Club, provided food and drink. Our Catholic Life Committee set up Eucharistic Adoration in our grotto while contests were being held. A night of competition, community and faith again had the best of Guerin Catholic on display.

On two blisteringly hot days in June, Girls Lacrosse and Boys Golf both brought home state championships. Girls Lacrosse defeated Carmel in a thrilling victory with a goal in the final minute which sealed an undefeated season and the school's first female state championship. Boys Golf captured the IHSAA Golf State Title with a birdie on the final hole by junior Jacob Modleski. History was made and the trophies were raised. If you were at these events, you heard the spirit of the Guerin Catholic family, you saw the wild embrace of teammates following the final score and on those days, you really felt what it was like to be a Golden Eagle. It must be repeated—the best of Guerin Catholic was yet again on display.

Thank you to the class of 2022 for their outstanding leadership this year and congratulations for all the accomplishments of our Golden Eagles during the 2021-2022 year!

Ryan Davis
Director of Athletics
