A Word From Campus Ministry

The Christian Awakening Retreat, also referred to as the Junior Retreat, is the pivotal retreat for students at Guerin Catholic. Our only overnight retreat, this event takes place over the course of three nights and four days. This year, all junior retreats will take place at St. Joseph Retreat and Conference Center in Tipton.

On this retreat, students dive deeper into their relationships with God, family, friends, and self. They will be assigned to small groups of 5-6 other junior students which are lead by an adult staff member and 2-3 senior leaders.

The majority of their time on this retreat will be spent listening to talks and participating in small group discussion. They will also have plenty of free-time, delicious meals and snacks, and enjoy winding down from the day with their bunk-makes.

And of course there will be an intentional effort to get them connected to their faith. Through prayer and discussion, students will have a lot of time to reflect on their relationship with the Lord. And to help foster this growth, there will be plenty of Sacramental opportunities as well, including daily Mass, Reconciliation, and Eucharistic Adoration.

Many students consider this retreat to be a highlight of their time at Guerin Catholic. We look forward to sharing this experience with your student this year
