

GUERIN CATHOLIC HIGH SCHOOL 2021-22 ANNUAL REPORT OF GIFTS

Dear Guerin Catholic Community,

God has truly blessed us with yet another extraordinary year of giving at Guerin Catholic!

Thank you for your prayers, love and support to help our school by making gifts to the Providence Fund and SGO. Your generosity has provided the much-needed tuition assistance, support for faculty and staff, funding for student life experiences such as retreats and served the Learning Support program, truly making a difference for all of our Golden Eagles.

This past year, we have also been busy asking for leadership gifts towards the **Unite+Build+Soar** Campaign to build a new Fine Arts and Wellness Center. With a goal of \$26M, this new addition will provide the much needed Auditorium and Fieldhouse that our students need and deserve. The project's flex spaces will provide additional room for events and programs.

Just when we thought this year couldn't get any bigger, four Guerin Catholic families established new endowed scholarships this past year to provide ongoing tuition scholarships for our students in memory or honor of their loved ones. What a tribute and a lasting legacy of support.

As we begin a new school year, we ask for your continued prayers and support. Despite being in the midst of a major capital campaign, our need for gifts to the Providence Fund and SGO remain, as this financial support is critical to our mission!

Thank you for all you do for our beloved GC! May God continue to bless you and your family.

St. Theodore Guerin, Pray for us!

With Gratitude,

Lori Norris

FIVE-YEAR PROVIDENCE FUND COMPARISON

2021-22 PROVIDENCE FUND ALLOCATION

- Tuition Assistance 77%**
 Whether it's need-based financial aid, academic scholarships or staff discounts, we must strive to meet families where they are and help them attain a Guerin Catholic education for their children.
- Faculty/Staff Support 12%**
 In order to attract and retain the best faculty and staff, we must offer competitive salaries and professional growth and development opportunities each and every year.
- Student Life Experiences 2%**
 A Guerin Catholic education IS different—we must continue to enhance all of our academic and extracurricular programs in order to offer life-changing retreats, service and pilgrimage experiences, state-of-the-art learning tools and more.
- Learning Support 9%**
 Guerin Catholic's Learning Support Program provides extensive individual support for students as they achieve their goals. Through continued development of a student's skills, they work toward self-advocacy and independent learning. With the help of the student, parent, and the Learning Support Team, an academic plan is developed for each student to ensure growth and success in the classroom.

SCHOLARSHIP GRANTING ORGANIZATION (SGO)

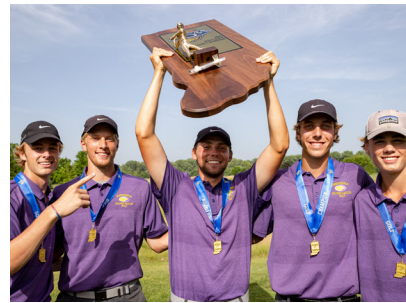

Guerin Catholic continues to partner with the **Institute for Quality Education (IQE)** as our official Scholarship Granting Organization (SGO). An SGO is a state-designated 501(c)(3) that provides financial needs-based scholarships to students enrolled in non-public schools.

By giving a gift through IQE and designating it to Guerin Catholic, you will be providing needs-based scholarships to eligible incoming and current GC students.

As of July 1, 2021, students of Hoosier families whose household income is 300% or less of the amount required for the individual to qualify for the federal free and reduced lunch program now to meet eligibility requirements to receive Choice Scholarship and SGO awards for the 2021-22 school year to help cover the cost of private school tuition.

This is **great** news for our Guerin Catholic families who qualify. Thanks to a record number of SGO donors last year, we were able to award 75 SGO scholarships—some of which served as a pathway for families to be awarded a Choice Scholarship toward Guerin Catholic tuition for the next year.
