Date

As the parent or guardian of ,   
(Student Name) (Student Birthdate)

I have chosen for my child to not receive the following vaccine(s) due to my religious beliefs (please list vaccines to which you object):

## ACKNOWLEDGEMENT OF CONSEQUENCES OF INCOMPLETE VACCINATION

Per Indiana Code 20-34-4, I understand that I must submit a vaccine exemption form annually, prior to the first day of school. By choosing not to vaccinate my student, I understand that he/she may be excluded from school should an outbreak from a disease to which my child is not fully vaccinated occur. Furthermore, I have read and understand the vaccination exemption letter attached to this form.

Dear Parent/Guardian:

Your child has an exemption to a state required vaccination/s and is not fully immunized. IC 20-34-4 permits your child to attend school when a medical or religious exemption form is on file *prior* to the first day of school and renewed annually. Parents may submit a religious exemption using the school form. A medical exemption must be on the Indiana State Department of Health form, meet one of the criteria specified by the state, and be documented by your child's physician. Both exemption forms are available at <https://www.guerincatholic.org/medical/>.

Please understand, in the event of an outbreak for which there are required vaccines that your child has not received, exclusion from school may occur to protect the health of your student and all our students and staff. **Please note, that with some diseases, such as measles, one infected child is an outbreak.** The length of time your child will be kept out of school depends on the disease and recommendations made by state and local health departments. Guerin Catholic will follow health department recommendations in the case of an outbreak.

If your child is excluded from school, your child will not be allowed on campus or at any school events including sporting events, dances, concerts, and graduation ceremonies that occur within the exclusion period. The school will notify you when your child can return to school and school activities.

Please feel free to reach out with questions or concerns.

Thank you,
