Student's Name

As the parent or guardian of

(Student Name)

I have chosen for my child to not receive the following vaccine(s) due to my religious beliefs

## **ACKNOWLEDGEMENT OF CONSEQUENCES OF INCOMPLETE VACCINATION**

I understand that by not vaccinating my student, he/she may be at risk for contracting the disease from community exposure. Per Indiana Code 20-34-4, I understand that I must update this form each school year. By choosing not to vaccinate my student, I understand that he/she may be excluded from school, which includes after-school activities such as sporting events, dances, and graduation, should an outbreak from a vaccine preventable illness occur. I also understand that my child may be required to stay home for multiple weeks during an outbreak of a vaccine preventable disease for which he/she is not vaccinated. The Indiana State Department of Health (ISDH) determines this exclusion. Furthermore, I have read and understand the vaccination exemption letter attached to this form.

Dear Parent/Guardian:

Your child has an exemption to vaccination and is not fully immunized. Although your child remains at risk for getting a vaccine preventable disease, IC 20-34-4 permits your child to attend school.

In the event of an outbreak of a vaccine preventable disease for which your child is not fully vaccinated, your child may be excluded from school to protect his/her health and the health of all our students and staff. It is important to understand that with some diseases, such as measles, one infected child is an outbreak. The length of time your child will be kept out of school depends on the disease and recommendations made by state and local health departments.

If your child is excluded from school, your child will also be excluded from school sponsored activities, such as sporting events, dances, and graduation that occur within the exclusion period. The school will notify you when your child can return to school.

Please feel free to reach out with questions or concerns.

Thank you,

Mary Harris RN, BSN  
Nancy Scott RN, BSN
